## MONDAY 20 JANUARY – CLASS 19 MAD SCIENCE CLUB

Dear Parents, Pupils and Staff

Today Class 19 performed our first sharing assembly of 2020, sharing their learning to date and testing the audience with a Kahoot Quiz at the end!

Our first group of Year 6 children started their 'Bikeability' training this week. This is an important aspect of preparing the children for secondary school and ensuring they are safe when out on their bikes.

Miss Simmonds, our SENCO is keen to engage with parents who are interested in volunteering in school. Over the past couple of years we have had an increasing number of parent volunteers making a positive contribution to school. Miss Simmonds will be hosting a parent volunteer information morning for anyone interesting in coming into school to help. This will take place on **Thursday 30<sup>th</sup> January at 9:00 a.m.** in Dean Hall.

On Wednesday I met with the FTCA to discuss plans for 2020, including the summer fete. We also spent time discussing the recent Christmas bazar and how some of the funds will be spent. Our School Council, who met on Monday, will be putting in a request to the FTCA for some more Gym Trail equipment and they have also agreed to purchase some more lunchtime equipment.

Finally, today I have met with a group of Year 6 children who are planning a fundraising event next week to support those affected by the tragic bush fires in Australia. The fires have affected livelihoods, homes and up to one billion animals. The children have identified the WWF as one of the charities that they would like to raise funds for. More information will follow on Monday.

Have a lovely weekend.
